The Story So Far

The Avondale Heights Cricket Club (AHCC) is a vibrant, community-focused club located in Melbourne's north-west. With a proud tradition of nurturing a love of cricket across all ages and skill levels, AHCC is more than just a sporting organisation — we're a family.

From first-time juniors to experienced senior players, AHCC provides a welcoming, inclusive and supportive environment where everyone can enjoy the game, build their skills, and create lifelong friendships.

Our home at Canning Reserve, nestled on the banks of the Maribyrnong River, is a hub of local sport and community life. Driven by passionate volunteers, dedicated coaches, and a strong focus on player wellbeing and development, AHCC plays a key role in fostering values of teamwork, respect, and community spirit.

We proudly field junior and senior teams across both synthetic and turf competitions, ensuring players of all skill levels have the opportunity to participate and grow. We actively support female participation and run the Woolworths Cricket Blast program, giving children a fun and safe introduction to the game.
